Successful applicants will be notified by the CAO, in accordance with its normal procedures. Initial offers of places will be included in the CAO "first round" offers. Depending on the response, further offers may be made in subsequent rounds.

Successful applicants who accept places are required to enter the Higher Education Institutions in autumn (actual dates available from the individual Institutions). In special

circumstances, at the discretion of the Institution authorities, the date of entry may be deferred for a limited period.

4. Additional Information

1. Covid-19

Applicants should be aware that HEIs may need to continue to operate under Covid-19 restrictions for the 2021/22 academic year which may necessitate amendments to the delivery of certain elements of the B.Ed programme as required, in order to abide with the prevailing Government health advice at the time.

2. Proficiency in spoken Irish:

1. Tréimshe Foghlama sa Gaeltacht (Gaeltacht Learning Period):

All primary initial teacher education (ITE) students are required to complete two placements in the Gaeltacht. Each placement will be of two weeks' duration. *It should be noted that this is a compulsory part of the programme.* The Department of Education announced its intention to restore the Gaeltacht grant for students on State-funded Initial Teacher Education programmes with effect from the academic year 2020/21.

2. *Oral Irish Test:* In addition, applicants should note that students will be subject to undergo an oral Irish test at the end of their first year of initial teacher education, and must pass this test in order to continue to the second year of the course. Students who fail this oral Irish test may, at the discretion of the Institution, be allowed to repeat the test.

3. Student Grants:

SUSI (Student Universal Support Ireland) is Ireland's single national awarding authority for all higher and further education grants. Students are advised to submit a fully completed online grant application to SUSI so that their eligibility for grant assistance can be assessed. It is anticipated that the 2021/22 Scheme will open for applications in April 2021. Further information regarding the Student Grant Scheme is available on the SUSI website at www.susi.ie.

4. Scholarships:

Third Level Bursary Scheme

In 2012, the then Minister for Education and Skills, Ruairí Quinn T.D. established a scheme of bursaries for students from DEIS schools based on Leaving Certificate calculated grade system and examination results. This bursary scheme is now administered by the Department of Further, Higher Education Research, Innovation & Science. Applications are not needed for these bursaries as they are awarded on a regional basis (Dublin, rest of Leinster, Munster and Connaught/Ulster) based on Leaving Certificate Results achieved in 2021.

All Ireland Scholarship Scheme

The All Ireland Scholarship Scheme is administered by the Department of Further, Higher Education Research, Innovation & Science and funded by J.P. McManus. No applications are necessary for the All Ireland Scholarships as they are awarded based on the Leaving Certificate exam results achieved in 2021. Scholarships are available to first-time Leaving Certificate students who have been exempt from paying the Leaving Certificate exam fee and who have attended non-fee paying post primary schools. Further information is available on the All Ireland Scholarship website at www.allirelandsscholarships.com

5. Fitness to Practise:

1. *Garda Vetting:* Before a Higher Education Institution can complete a student registration; the Higher Education Institution requires that all incoming teacher education students undergo a process of Garda vetting in order to establish whether they have any convictions or criminal charges pending. Where this process confirms the existence of such, the matter is referred to a Vetting Committee within the Higher Education Institution which decides whether the student can continue with his/her programme of study.

2. *Medical Requirements:* Some Higher Education Institutions require that all incoming teacher education students complete a medical information form, indicating whether they have

any significant ongoing illnesses or disabilities which might adversely impact their capacity to meet the requirements of the course, including School Placement. Entrants who declare significant health conditions, disabilities or psychological conditions will be assessed on an individual basis to evaluate whether, with reasonable accommodations, they would have the ability to undertake the demands of the programme. Individuals will not be excluded on the grounds that they possess a particular condition or disability if it is deemed likely that it would be possible for that person to fulfil the requirements of the course with reasonable accommodation(s). The Institutions will advise students as to the procedure to be followed in this regard.

6. Gaeltacht Applicants: Up to ten per cent of places on the Bachelor of Education programme may be reserved for applicants from the Gaeltacht, i.e. applicants must reside in the officially designated Gaeltacht and must use Irish as the normal language of home.

7. Marino Institute of Education - Bachelor in Education through the Medium of Irish (Primary Teaching)

The Bachelor of Education through the Medium of Irish (Primary Teaching) course at Marino Institute of Education is a 4-year initial teacher education programme through the medium of Irish which commenced in September 2019. This course forms part of the implementation of the Policy on Gaeltacht Education 2017-2022.

Applications are invited from the above course through the CAO (CAO course codes: CM003/CM004). The minimum entry requirements for this course include a H3 in Leaving Certificate Irish. In addition to the minimum entry requirements, candidates must also achieve 50% or higher in the Teastas Eorpach na Gaeilge (TEG) Level B1 examination. Candidates who have not already done so should apply for this examination by 21 January 2021 (see: www.teg.ie/oid). Full details regarding this course are available online at www.mie.ie/oid.
