

Applications are invited from suitably qualified candidates for the following position:

Assistant Professor in Materials/Physical Chemistry
School of Chemical Sciences
Faculty of Science & Health
Permanent Contract

Dublin City University www.dcu.ie is a research-intensive, globally-engaged, dynamic institution that is distinguished both by the quality and impact of its graduates and by its focus on the translation of knowledge into societal and economic benefit. Through its mission to transform lives and societies through education, research and innovation, DCU acts as an agent of social, cultural and economic progress. DCU is Ireland's fastest growing university, and now hosts more than 17,000 students across its three academic campuses: DCU Glasnevin Campus, DCU St Patrick's Campus and DCU All Hallows campus.

School of Chemical Sciences

The School of Chemical Sciences is one of Ireland's most progressive and highest achieving Schools with outstanding facilities, housed within a modern and dynamic city campus. Our goal is to develop graduates with the ability to critically evaluate, and then to solve, chemical and pharmaceutical problems, preparing the highest quality graduates capable of meeting the challenges of the modern industry and research. The School is highly successful at attracting large scale research funding, with our researchers having significant roles within nationally significant university/industry collaborative initiatives and European funded Integrated Training Networks.

The School is one of the leading academic schools within DCU and is ranked in the top 350 chemistry schools/departments in the world (QS Rankings), a reflection of the School's ambitious research activities and its undergraduate/postgraduate degree programmes. The School now plans to build upon this success and make an appointment at Assistant Professor level in Materials/Physical Chemistry which will enhance and consolidate research in at least one of its three key research themes: Climate Action – Energy, Water & Sustainability; Advanced Materials & Devices; Therapeutics & Diagnostics.

Duties and Responsibilities

See job description for full list of duties and responsibilities attaching to this role.

Candidate Requirements

- A Ph.D. with a track record of research in materials and physical chemistry that includes corresponding and senior/first author publications, national or international grant award(s) as an independent Principal Investigator or Fellow
- An education background that can deliver chemistry related modules to our core undergraduate/postgraduate programmes
- A track record of high quality university-level teaching
- Experience of research student supervision

Mandatory Training

The post holder will be required to undertake the following mandatory compliance training: GDPR, Orientation, and Compliance.

Salary Scale: Assistant Professor (above bar) €54,163 - €86,182

**Appointment will be commensurate with qualifications and experience, and will be made on the appropriate point of the relevant salary scale in line with current Government pay policy.*

Closing Date: 7th January 2021

Informal Enquiries to: Professor Silvia Giordani, Head of School of Chemical Sciences, Dublin City University, Dublin 9. Tel: 353 1 700 6459; Email: chemistry.headofschool@dcu.ie

Do not send applications to this address. Instead, apply using the procedure set out below.

Application Procedure: Application forms are available from the DCU Vacancies website at <https://www.dcu.ie/hr/vacancies/current.shtml>

Applications must be submitted by e-mail to hr.applications@dcu.ie

Please clearly state the role that you are applying for in your application and email subject line:

Job Ref #BC1706 Assistant Professor in Materials/Physical Chemistry
