Thesis Access Consent & Declaration – PGR7

Postgraduate Research Studies

Academic Year 2026/2027

Guidance & Instructions for Completion of Form

- Please refer to the Guidance on Electronic Completion & Submission of PGR Forms prior to completion of the report. Only typed forms will be accepted.
- Completed forms must be submitted to Student Awards, Registry at postgraduate.research@dcu.ie
- According to the Academic Regulations for Postgraduate Degrees by Research and Thesis, Candidates are required to sign a declaration form (PGR7), at the time of submission of the thesis for examination, permitting access to their thesis in print or electronic form.
- Where questions of the confidentiality of the contents arise, candidates may request and obtain temporary restriction of access (PGR8) up to a maximum of four years for sufficient cogent reasons.
- **N.B.** Authors should note that granting of access, as referred to below, does not in any way prejudice their rights and obligations as set out in the DCU Intellectual Property Policy located online at https://www.dcu.ie/policies/intellectual-property-policy

A. CANDIDATE DETAILS	
Name of Candidate

Thesis Access Consent & Declaration – PGR7

Postgraduate Research Studies

Academic Year 2026/2027

B. Candidate Declarations

Please indicate your agreement with the declarations below by populating your signature

CANDIDATE CONSENT TO THESIS ACCESS

I hereby give permission to Dublin City University for my thesis, details of which are given above, to be made available for consultation, copying, displaying, viewing via printed and electronic medium (including via the Internet, an Intranet and any other method of electronic display (within the confines of the Copyright and Related Rights Act 2000)), inter-library loan, and for inclusion in any list of theses published by the University, or in any other publication or listing of theses accepted for higher degrees, to which the University may decide to contribute.

I agree to the granting to DCU of the licence set out in Section 9.3 of the *Academic Regulations for Postgraduate Degrees by Research and Thesis* located online at:
http://www.dcu.ie/registry/regulations/postgraduate_regulations.shtml

THESIS DECLARATION

This declaration must also be maintained in the e-thesis (both pre-examination and final approved e-thesis), positioned immediately following the Title Page.

I hereby certify that this material, which I now submit for assessment on the programme of study leading to the award of ***(insert title of your degree here e.g. Doctor of Philosophy)*** is entirely my own work, and that I have exercised reasonable care to ensure that the work is original and have conformed to the regulations on the use and declaration of Generative AI, and does not to the best of my knowledge breach any law of copyright, and has not been taken from the work of others save and to the extent that such work has been cited and acknowledged within the text of my work. [2]

GENERATIVE ARTIFICIAL INTELLIGENCE (GEN AI)

Please refer to Guidance for Postgraduate Research Students and Supervisors on Declaring and Reporting Use of Generative Artificial Intelligence (Gen AI) Tools

Please indicate below if **a)** or **b)** applies by placing a tick (✓) in the relevant box.

a) ❒ I hereby certify that Generative Artificial Intelligence (Gen AI) tools have been used in the creation of the thesis as specified in the appendix using the relevant Template for Reporting of Gen AI Tool Use in Research Theses

or

b) ❒ I hereby certify that no Generative Artificial Intelligence (Gen AI) tools have been used in the creation of the thesis.

CANDIDATE SIGNATURE

(by populating your signature you are demonstrating agreement with the above declarations)
