C. PROPOSED PANEL ARRANGEMENTS *(To be completed by Principal Supervisor(s)):*

It is important that [Section 7 of the Academic Regulations](#) is reviewed where a proposed change to a panel is taking place. Some key considerations are:

- It is the responsibility of the Head of School to ensure that appropriate supervision remains in place in situations where a supervisor or independent panel member leaves the University (Section 7.7)
- Where a principal supervisor retires or resigns from the University, the supervisor is encouraged to continue supervising the students, but as a secondary supervisor (Section 7.7.1)
- Where a supervisor is absent (e.g. on sabbatical leave) for part of the duration of the student's research, it will be the School's responsibility to determine whether or not a replacement supervisor is needed for the period in question (Section 7.7.2)

Proposed Supervisor(s)	Principal/ Joint Principals	Secondary Internal (where relevant)	Secondary External* (where relevant)
Proposed Independent Panel Member(s)			

Please provide sufficient information on the reason(s) for the change (as part of this please consider [Section 7 of the Academic Regulations](#)):
