

## Application for Deferral of Academic Year Academic Year 2020/2021

### **Contents**

**Section A. Guide for Application for Deferral of Academic Year**

**Section B. Application for Deferral of Academic Year**

**Section C. Signed Approval from Programme Chairperson / International Office**

### **Section A: Guide for Application for Deferral of Academic Year**

If you wish to defer your return to this University for a full academic year, (i.e. from October to September, resuming study the following September), please complete this form, obtain all required signatures of approval and return to Registry with any relevant supporting documentation by the closing date below. Registry will contact you by email after the closing date once your deferral of academic year has been processed.

Deferral of Academic Year requests will not be accepted after commencement of Semester 1 examinations. After this date you must complete the R33 Postponement of Assessment / Examination Form.

**Closing Date:** 30<sup>th</sup> October 2020

#### **Fees and Grants**

Students are advised to contact the Fees Office in advance of any Deferral of Academic requests to seek clarification of fee liability. Please note if you are in receipt of a grant, **it is your responsibility** to contact your Grant Authority/SUSI to confirm you are deferring the academic year 2020/2021.

#### **Use of University Facilities while on Deferral**

You will not have access to your Student Apps page while deferred. Arrangements need to be made directly with the Library (external membership card available), Social Centre and/or Sports Complex staff, should you wish to use their facilities while on deferral.

#### **Resuming your studies**

If successful in your application, please note that the curriculum of your course may be amended and the same modules may not necessarily be on offer when you return to your studies. This can be discussed further with your Programme Chairperson. Once a Deferral of Academic Year is granted for an academic session it cannot be revoked. The University will make contact with you during the summer before you are due to resume your studies, to confirm your intention to return in September. Please respond to this correspondence to ensure your record is updated correctly for the new academic year.

**Your submission will be treated as strictly confidential**
