Section B: Leave of Absence Notes

Closing Date: 31ST October 2020

Supporting Documentation
All forms must be accompanied by supporting documentation. Forms received after the closing date are subject to approval and must be accompanied by supporting documentation providing an explanation for the late submission of the request. Leave of absence requests will not be accepted after commencement of Semester One exams.

Fee Implications
Students deferring after the above closing date will be liable to pay programme fees for both the current year and when re-registering in the new academic year. Clarification of fee liability should be sought from the Finance Office.

Fees and Grants
Students are advised to contact the Fees Office in advance of any Deferral of Academic requests to seek clarification of fee liability. Please note if you are in receipt of a grant, it is your responsibility to contact your Grant Authority/SUSI to confirm you are deferring the academic year 2020/2021.

Use of University Facilities while on Leave of Absence
You will not have access to your Student Apps page while leave of absence. Arrangements need to be made directly with the Library (external membership card available), Social Centre and/or Sports Complex staff should you wish to use their facilities while on leave.

Resuming Your Studies
If successful in your application, please note that the curriculum of your course may be amended and the same modules may not necessarily be on offer when you return to your studies. Once a leave of absence has been granted for an academic session it cannot be
revoked. The University will make contact with you during the Summer before you are due to
resume your studies to confirm your intention to return that September.
