Students coming to study at DCU via certain providers/programmes (such as LEARN International, George Mason University, CIS Abroad, LISA Programme, and International Foundation Programme) may have additional orientation events that they need to attend. Students from these programmes should regularly check their emails for messages from their providers/programme coordinators.

¹ Direct Students (IMSISS, EMCE and MIM) will be contacted separately with a registration slot via their DCU email. International Foundation Students will have a separate ID card pick which they will receive details about via an email from the IFP Programme Coordinator.
