

Gesaky Interactive showcase at the Intel Solutions Summit 2013

(Pictured above the Gesaky Interactive mirror)

Gesaky Interactive was proud to join this year's Intel Solutions Summit in Dublin, April 10-11. As the sole Irish company at this prestigious event, they proudly demonstrated their latest In-Store Interactive Mirror on the Intel New Technologies stand where their new Samsung Slate Interactive Pedestal displayed the latest characteristics of their retail offering. Gesaky Interactive is based in Invent DCU.

Intel Solutions Summit (ISS) is Intel's largest and most prestigious event worldwide. The event is a key platform for top channel partners who connect its members with the latest Retail Technologies, market opportunities and Intel® products. The Summit 2013 took place at the Convention Centre Dublin on April 10-11.
