## Cloudpaging
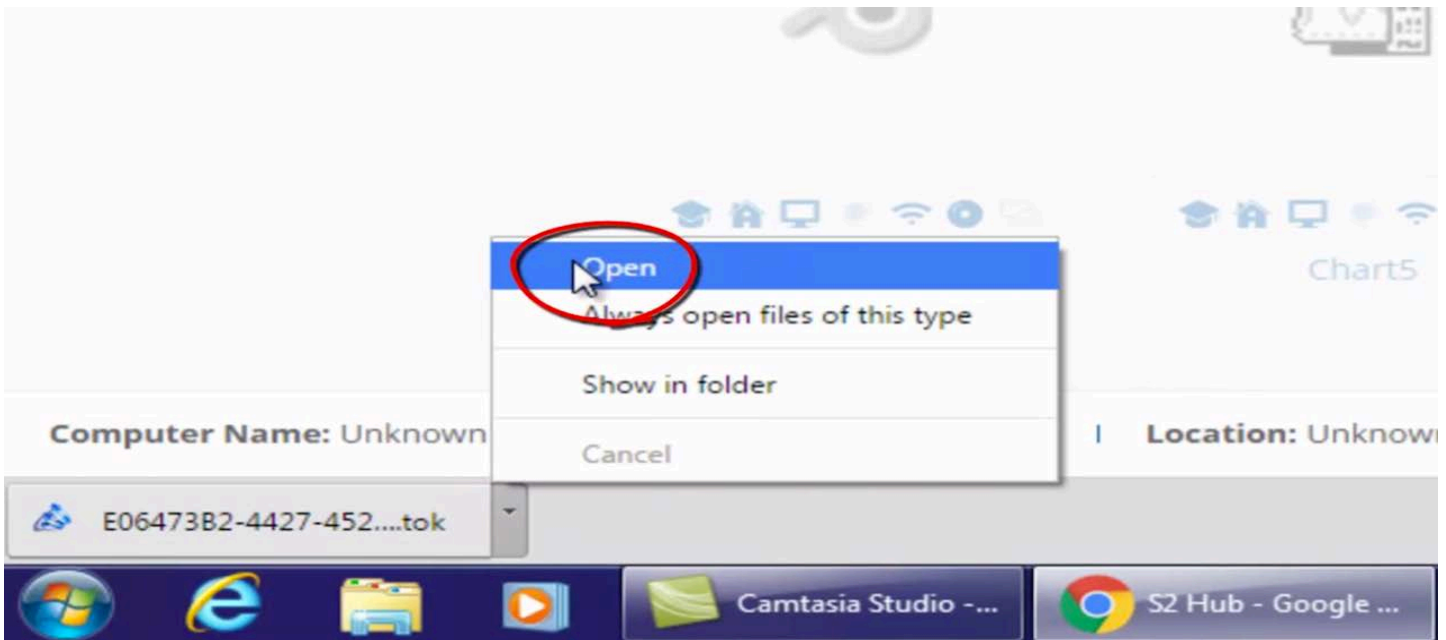

Launching an application by visiting stream.dcu.ie You will land on the DCU Cloudpaging webpage.

A file will be automatically downloaded which can be found at the bottom left of the page.

Ollscoil Chathair Bhaile Átha Cliath
Dublin City University

Click on open to launch the Cloudpaging Player window.

The Cloudpaging window will open. In the Cloudpaging Player window click on Launch to run the Software Application Manager.

Ollscoil Chathair Bhaile Átha Cliath
Dublin City University

Scroll to the Software you wish to launch. In this case, I wish to open VLC Media Player which is located at the bottom of the page.

For more information about the Software click on the More Info button.

Ollscoil Chathair Bhaile Átha Cliath
Dublin City University
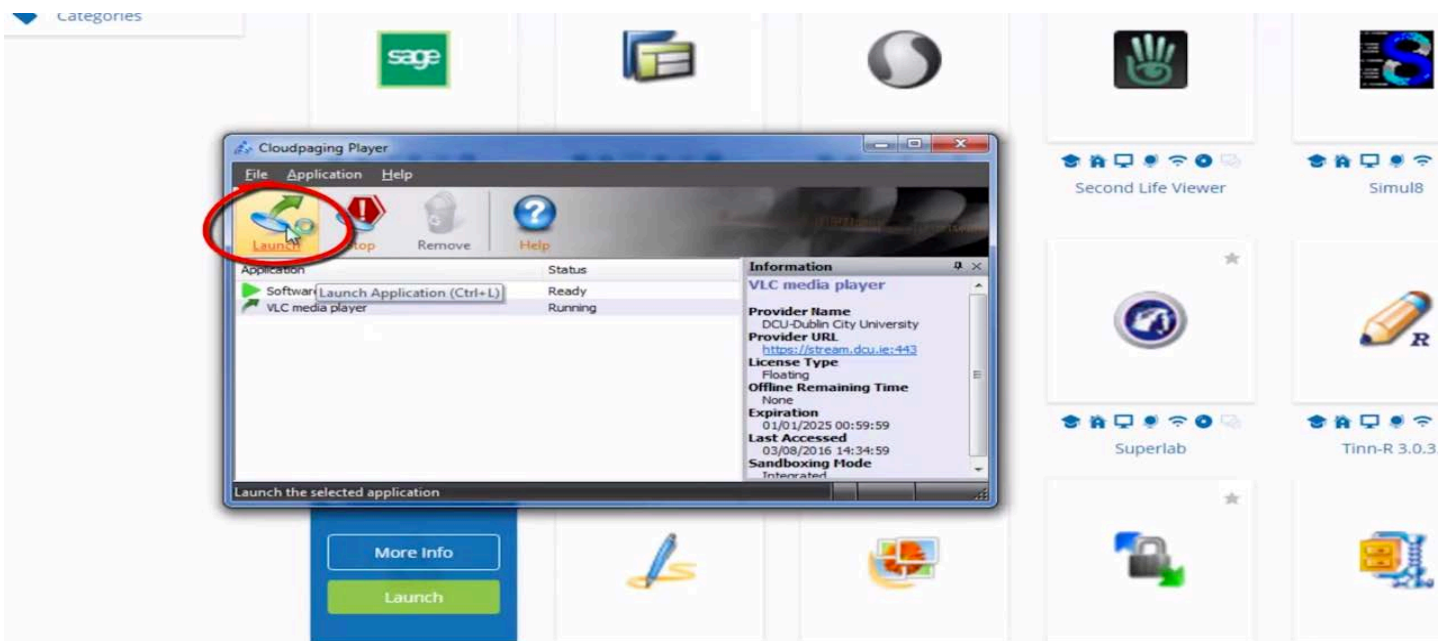

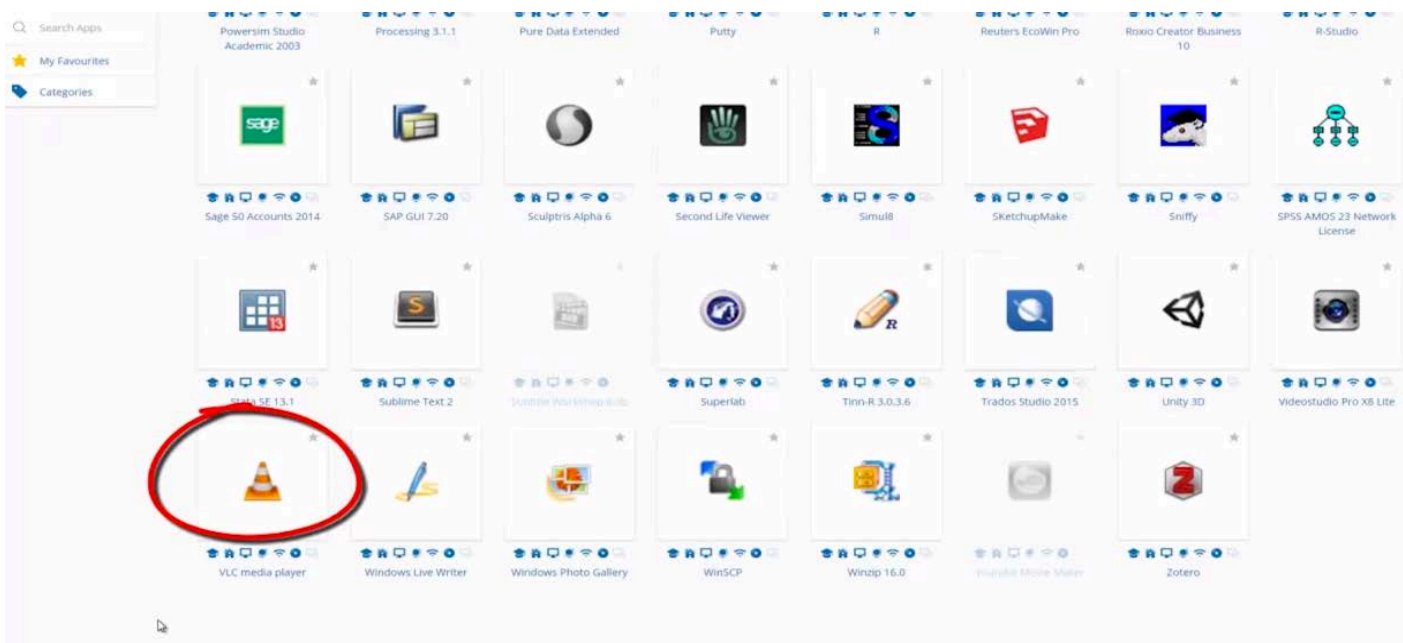

Click on the Launch button to launch the software.

A file will be automatically downloaded which can be found at the bottom left of the page. Click on Open to launch the Cloudpaging Player window.
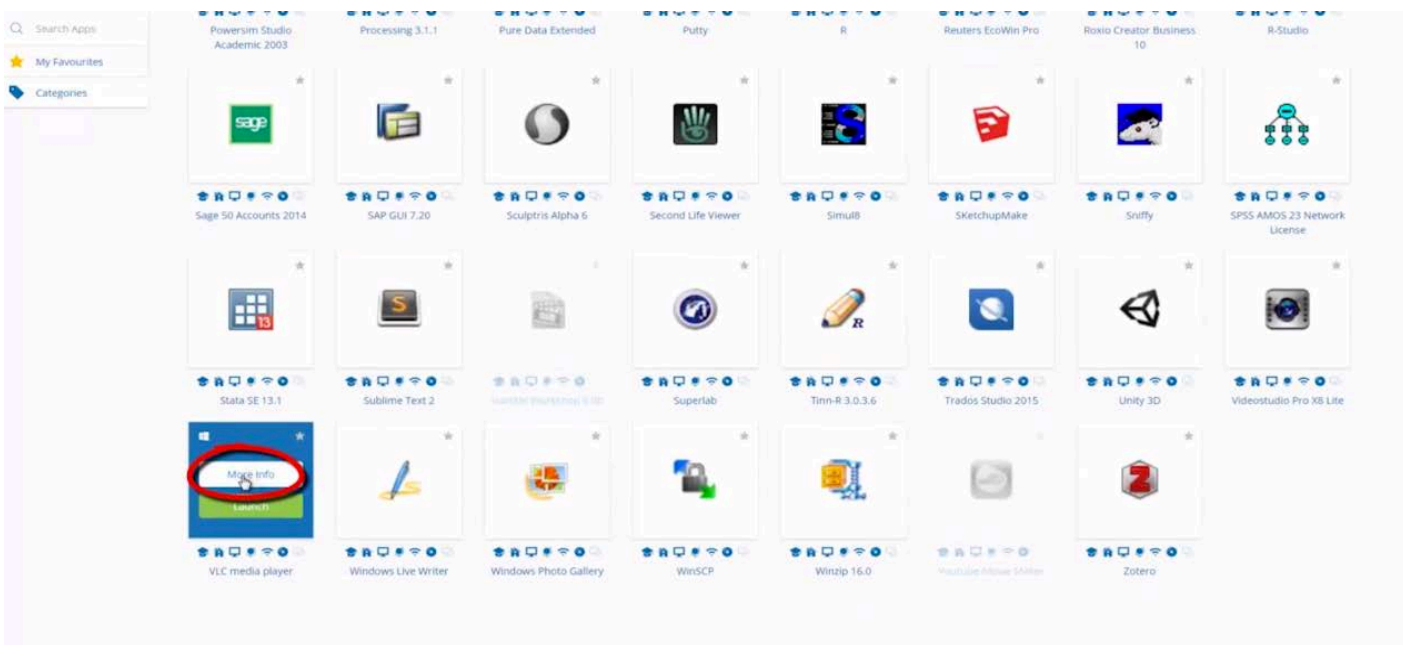

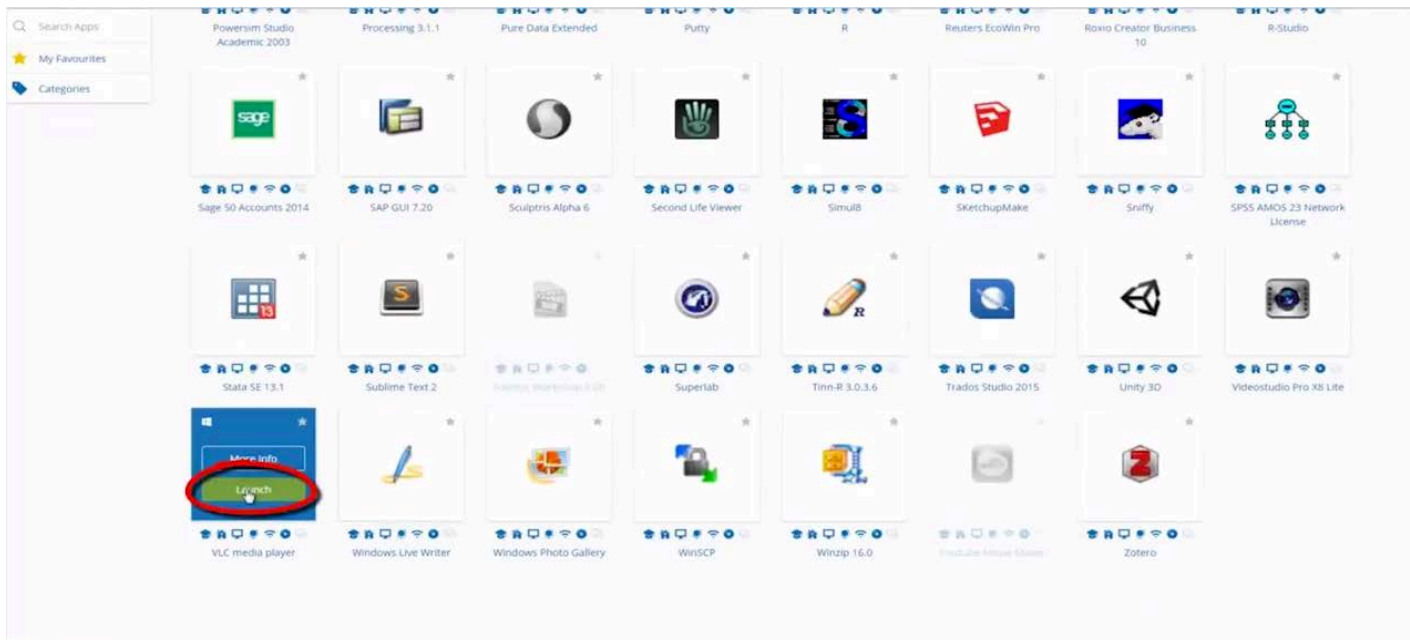

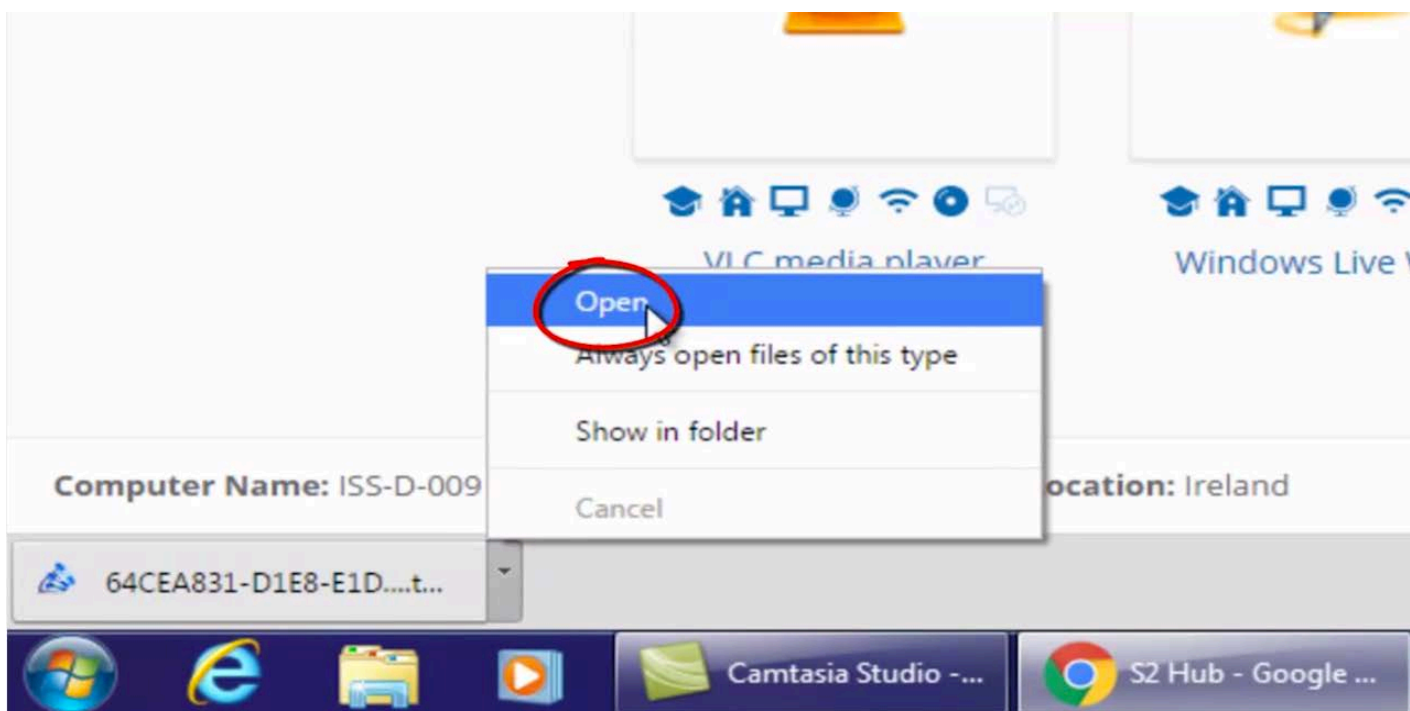

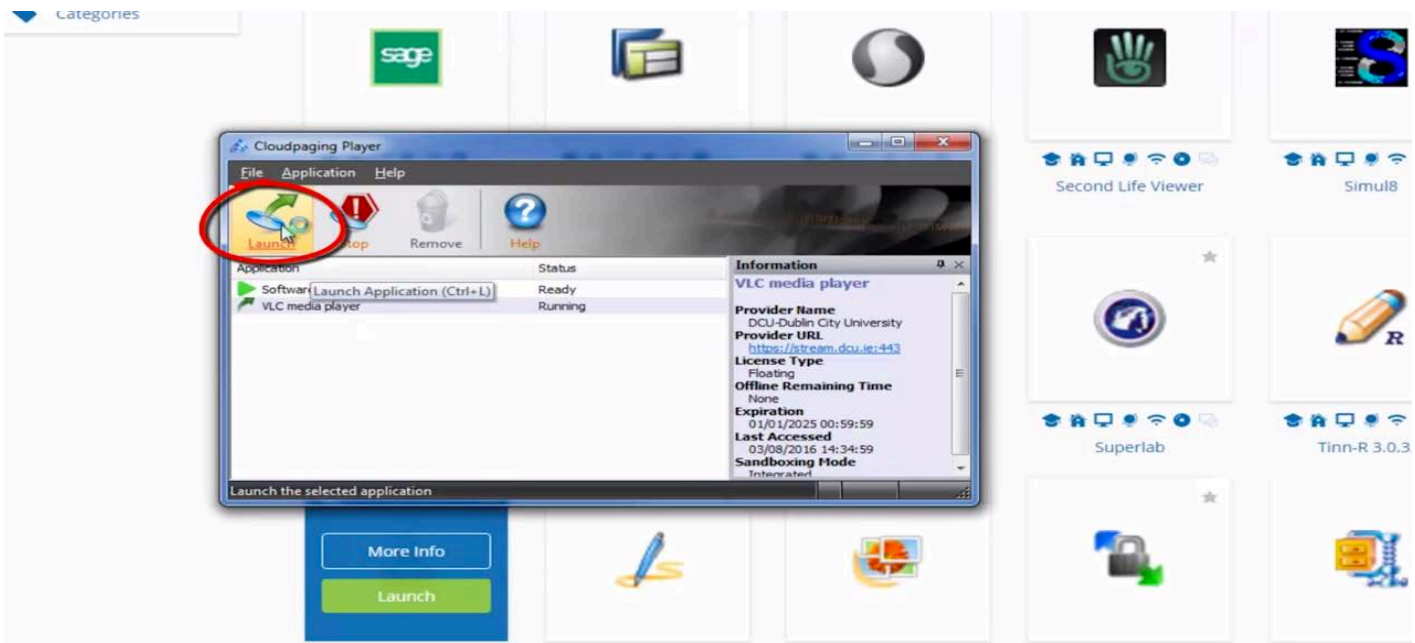

Once the Software is visualised click on the launch button to run the Software.

The software is now opened and ready to use. Once you are finished using the software, close as normal.
