BSc in Athletic Therapy and Training (ATT)

1. Programme-specific rules and requirements

The award classification is calculated from the precision marks of year 2 (semester 3 and 4: 19%), year 3 (semester 5 and 6: 54%) and year 4 (semester 8: 27%) [Ref.: DCU M&S 8.1.1]

Note: Due to students undertaking their clinical experience in the first semester of year 4 (semester 7) which is a pass/fail module, it does not contribute to the overall award classification.
