

Faculty of Engineering & Computing

Programme Regulations 2015-2016

MSc in E-Commerce (Technical)

1. Programme-specific rules and requirements

There are no programme - specific rules or requirements.

2. Derogations from Marks & Standards

Marks and Standards apply.

3. Progression

As this is a one-year taught masters, the principle of progression and of carrying modules does not apply.

4. Compensation

Compensation is not permitted for taught post-graduate programmes. [Ref.: DCU M&S 7.1.9.].
