

FACULTY OF SCIENCE AND HEALTH

Programme Regulations 2016-2017

Programme Title MSc in Financial Mathematics

Programme Code MFM

Offered on a full-time or part-time basis Full-time

Note: *Programme Regulations should be read in conjunction with Marks and Standards which can be found at <http://www.dcu.ie/registry/examinations/index.shtml>*

1. Programme Specific Rules and Requirements

The assessment of the project module MS510 is based on:

- A preliminary presentation to take place in semester 1
- A written report normally submitted in September
- A presentation attended by the external examiner in September

There is no re-sit opportunity for this module. A student who fails the project will be given a single new opportunity (with a fresh project) the following year.

This programme will only run when it is viable to do so. Hence students who fail/defer modules may not be able to repeat/take those modules in subsequent academic sessions, and appropriate substitute modules may not then be available.

2. Derogations from Marks and Standards

Marks and Standards apply.

3. Progression

Marks and Standards apply.

4. Compensation

Marks and Standards apply.

5. Resit Categories

The resits offered for the August examinations diet vary depending on the module to be re-taken. The following is an explanation of the resit categories.

Resit category 1: A resit is available for all components of the module.

Resit category 2: No resit is available where the module is 100% assessed by Continuous Assessment.

Resit category 3: No resit is available for the continuous assessment component and the examination must be re-taken.
