

## FACULTY OF ENGINEERING AND COMPUTING

### Programme Regulations 2019-2020

<b>Programme Title</b>	<b>BEng Mechatronic Engineering</b>
<b>Programme Code</b>	<b>ME</b>
<b>Offered on a full-time or part-time basis</b>	<b>Full Time (01)</b>

**Note:** Programme Regulations should be read in conjunction with Marks and Standards which can be found at <http://www.dcu.ie/registry/examinations/index.shtml>

#### 1. Programme Specific Rules and Requirements

##### 1.1 Calculation for the Award Classification

The calculation of the fourth year award classification includes contributions from previous years' results as follows:

<b>Year contribution</b>	<b>Contribution to the award classification</b>
Year 2	10%
Year 3	15%
Transfer student into Year 3 with no year 2 contribution	15%

##### 1.2 Module Calculation (specific modules)

There are modules on this programme where the module mark will be calculated as the greater of (a) the weighted average of the continuous assessment percentage mark and the terminal examination percentage mark or (b) the terminal examination mark.

The modules are as follows:

<i>Module Code</i>	<i>Module Title</i>
EM201	Engineering Maths III

## **2. Derogations from Marks and Standards**

Marks and Standards apply.

## **3. Progression**

### *3.1 Credits for progression*

Students must have successfully completed a minimum of 60 credits in a study period in order to progress to the next study period.

### *3.2 Carrying of modules*

Students will not be permitted to “carry” modules except in exceptional circumstances and subject to the approval of the Progression and Award Board and mode of delivery permitting.

## **4. Compensation**

Compensation may apply, within the regulations specified in Marks and Standards.

## **5. Resit Categories**

The resit categories of modules on this programme and an explanation of those categories can be found at:
