

Faculty of Science and Health  
Programme Regulations 2014-2015

M.Sc. in Biomedical Diagnostics (MBD)

**1. Programme-specific rules and requirements**

Marks and standards apply

**2. Derogations from Marks & Standards**

Marks and Standards apply.

**3. Progression**

Marks and Standards apply as in section 6, 7, 8 of DCU M&S. Students must complete 90 credits to obtain the Masters. Students will be able to exit with a Graduate Diploma if they complete 60 credits. Any required core modules for the exit awards are listed on the approved academic structure and will not include any credits from the dissertation/project element.

Classification for the final degree award will be based on the weighted precision mark for all modules in two semesters on the first attempt. [Ref.: DCU M&S 7.1.8]

**4. Compensation**

Compensation is not permitted for taught post-graduate programmes. [Ref.: DCU M&S 7.1.9.].
