FACULTY OF ENGINEERING AND COMPUTING

Programme Regulations 2019-2020

Programme Title	**Masters Qualifier - Electronic and Computer Technology**
Programme Code	**MQTY**
Offered on a full-time or part-time basis	**Full-time (01) and Part-time (02)**

Note: *Programme Regulations should be read in conjunction with Marks and Standards which can be found at http://www.dcu.ie/registry/examinations/index.shtml*

1. Programme Specific Rules and Requirements

1.1 Calculation for the Award Classification

Candidates who pass 30 credits of taught modules may transfer to the Master of Engineering in Electronic and Computer Engineering programme, provided they have obtained a minimum of 50% on any Level 8 taught modules or a minimum pass mark on any Level 9 modules that are counted towards these 30 credits.

The students who have already passed modules from the current MEQ academic structure and have used them as credit for a different qualification, cannot use them again towards accomplishing the 30 credits of the MEQ.

2. Derogations from Marks and Standards

Marks and Standards apply.

3. Progression

3.1 Credits for progression

This is a continuous programme. Once a candidate has met the programme requirements they will be deemed eligible to transfer.

3.2   Carrying of modules

This is a continuous programme, the carrying of modules does not apply.

3.3   Exit Awards

This is a qualifier programme, no exit awards exist.

4.   Compensation

Marks and Standards apply.

5.   Resit Categories

The resit categories of modules on this programme and an explanation of those categories can be found at:

https://www101.dcu.ie/registry/module_contents.php?function=4&programme=MQTY
