# Promulgation Guide for Students

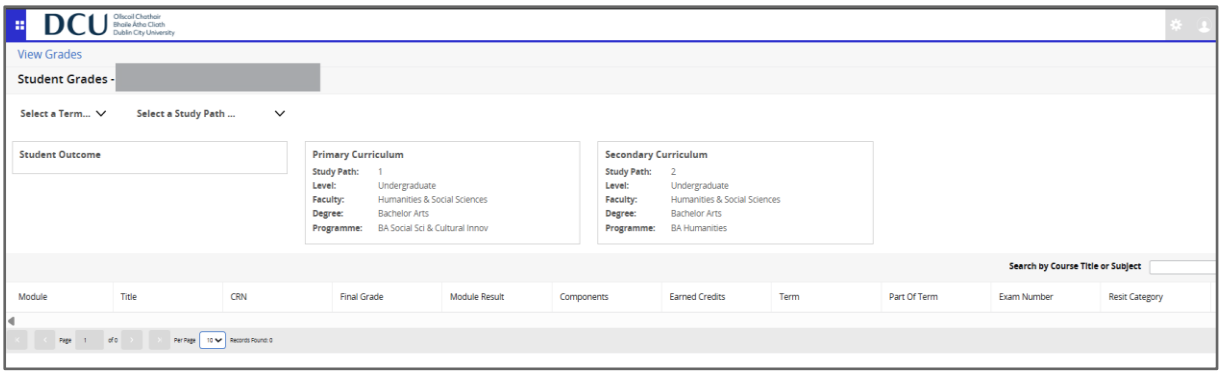
Updated August 2026

## Accessing the Results

You will receive an email that will include a link to the DCU results page. You will use your existing DCU login details to access your results via the link provided by Registry. Results will be available online for 30 days after they are published.

Where applicable, the page will allow you to view module grades (exam and coursework), annual result, final degree classification and class ranking.

Clicking on the provided link will take you to the following page:
https://www.dcu.ie/registry/examination-results-registry
(You will log in using your usual DCU login information):



## Viewing Module Grades

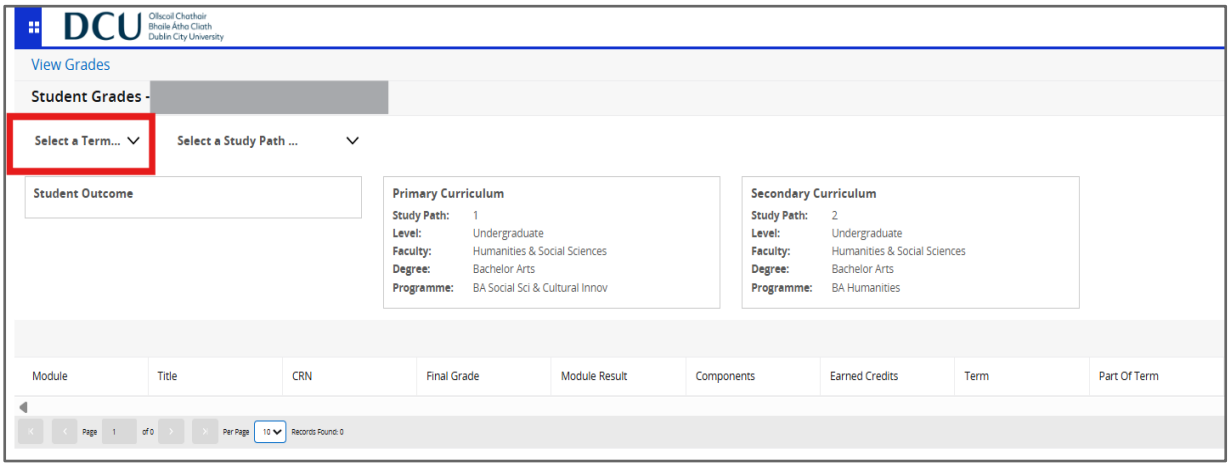
To view module grades, start from selecting a **Term** from the drop-down menu:

Selecting **All Terms** and specific **Study Path** will allow viewing grades for modules that **commenced teaching** in:

- Semester 1 2025/2026 = select ‘Autumn 2025’
- Semester 2 2025/2026 = select ‘Spring 2026’

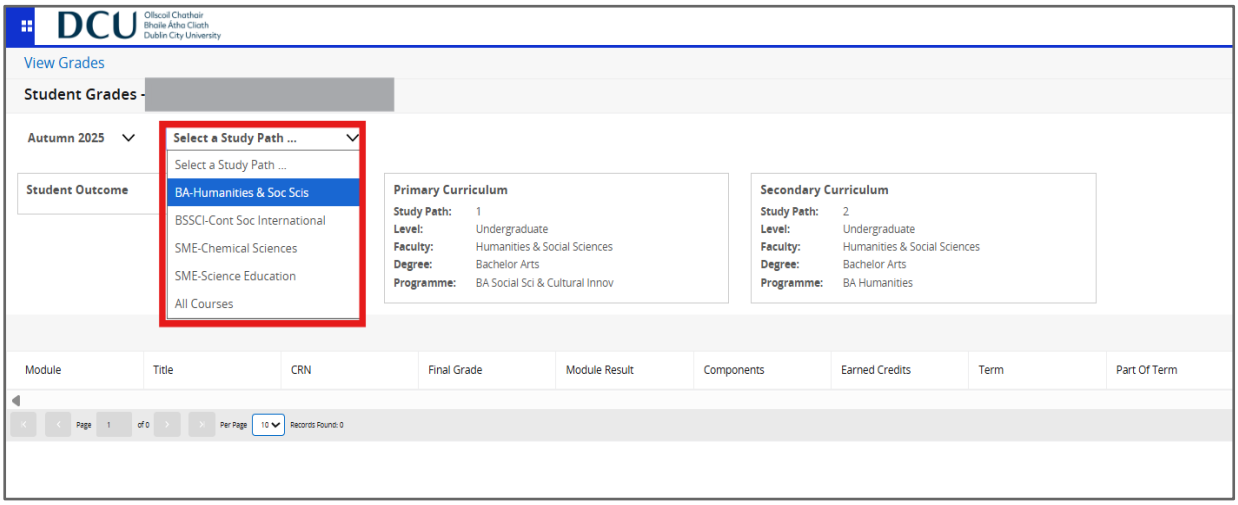
- Semester 3 or August Resit 2025/2026 = select ‘Summer 2026’

Selecting a **specific Term**, e.g., **Summer 2026**, will narrow the displayed results down to modules started in Semester 3 and August Resit of the current academic year.



After selecting a Term, you must select a **Study Path (Programme of Study)**:

*No results will be displayed until a Term and Study Path are selected from the dropdowns.*



Selecting a specific programme of study from the **Study Path** dropdown will narrow the results down to the list of modules associated with that programme of study.

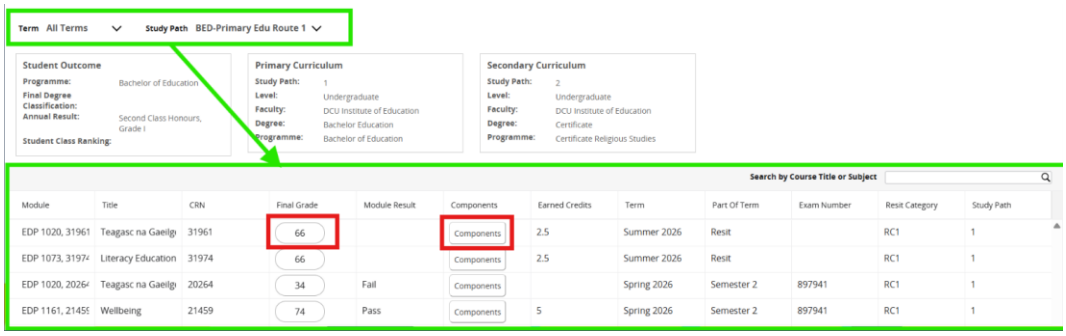
Selecting **All Courses** will display all graded modules regardless of the programme of study.

## Interpreting your Module Results

Once the above selections have been made, module results will appear in the box below.

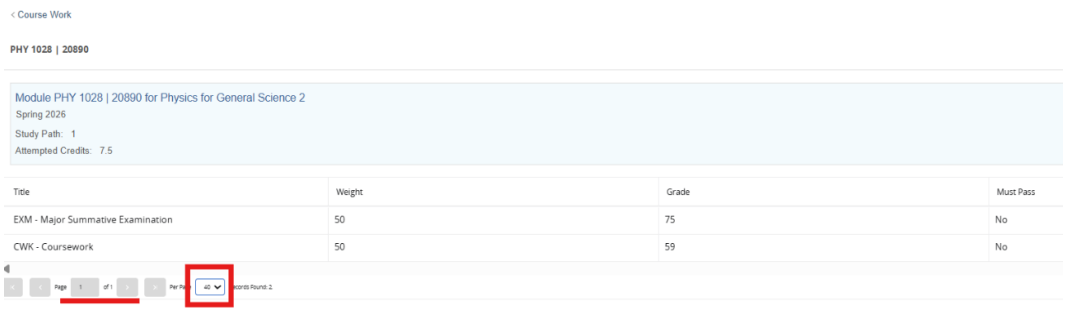
Your overall module mark is displayed in the **Final Grade box.** This may be numeric or Pass/Fail.

You can **double click on the Components** button to see the examination or/and course work grade:



You can **click on Coursework** to go back to the main results screen.

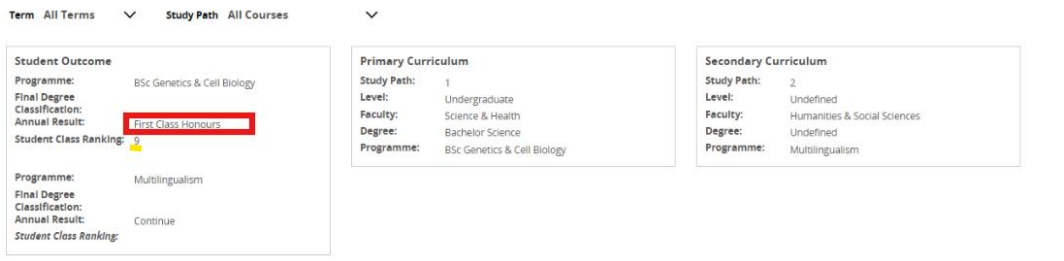
**N.B:** Please remember that if you have more than 10 modules, you may need to adjust the number of modules displayed in the page or move to the second page of modules.



## Viewing your Annual Result

The Student Outcome box at the top left of the screen will display your **Annual Result and Class ranking for your selected study path**:

**N.B:** The Annual Result may be NULL where you still have modules to complete in the current year of study.
**Please note that the class ranking reflects your ranking at the current point in time and may be subject to change.**



## Viewing your Final Degree Classification

The Student Outcome box will show your **Final Degree Classification** when you have successfully completed all elements of your Programme.

**N.B: Please note that the class ranking reflects your ranking at the current point in time and may be subject to change.**
