

PostDoc Job Opportunity

DUBLIN CITY UNIVERSITY	First Name	Last Name	email	Institute	Address
PI name & contact details:	Gabriel-Miro	Muntean	Gabriel.muntean@dcu.ie	DUBLIN CITY UNIVERSITY	Glasnevin, Dublin 9, Ireland.
School:	Electronic Engineering				
Research Centre / group affiliation:	RINCE Institute				
Research group / centre website:	Performance Engineering Laboratory (http://www.eeng.dcu.ie/~munteang)				

Description of postdoctoral project on offer:

Energy-aware multiple path delivery protocol in heterogeneous network environments - This project brings the current multiple path delivery research within the Dublin City University Performance Engineering lab to a new level, by aiming to propose a novel energy-aware protocol for multipath content delivery to extend the existing standard MPTCP to also consider energy awareness. The project will involve modelling, simulation, prototyping and both objective and subjective testing

Please indicate the core skills or disciplines that are required for this position:

Network protocols and applications, network modelling, programming
