**DCU Business School**  
**Dublin City University**

DCU Business school is looking to host an experienced researcher via funding through Marie Skłodowska-Curie Individual Fellowships. In order to secure funding, the experienced researcher must develop a proposal with the host for the September 9<sup>th</sup>, 2020 deadline.

### **Organisation Description**

DCU Business School is a dynamic school whose history is marked by steep upward development. The School is accredited by AACSB, AMBA and has been awarded the Small Business Charter from the Chartered Association of Business Schools. DCU Business School is an engaged, innovative internationally-focused school which prides itself on its excellent reputation for impacting students, the academic community, industry and wider society.

### **Project idea and researcher opportunities**

Research Field: Auditing and accounting

Project title – THE IMPACT OF BREXIT ON CORPORATE AUDITING.

This project seeks to investigate the impact of BREXIT on the auditing firms in the light of International Standard on Auditing ISA 315: Understanding the business entity and its environment and ISA 330: Responding to assessed risk as well as the Financial Reporting Council directives on BREXIT. Specifically, the project will examine the value relevance of BREXIT disclosures in the audit reports. Topics within the larger context of BREXIT and auditing are welcome.

### **Researcher Requirements**

- The researcher must fulfil the MSCA-IF mobility and experienced researcher requirements.<sup>1</sup>
- Applicants should have a PhD (or more than 4 years of research experience) in a relevant area of **accounting and auditing** and demonstrate a promising track record of early research achievements.

---

<sup>1</sup> **MSCA-IF mobility:** The researcher must not have resided or carried out the main activity (work, studies, etc.) in the country of the beneficiary for more than 12 months in the 3 years immediately before the call September 9<sup>th</sup> deadline (flexible 36 months in the 5 previous years if eligible for career restart or reintegration fellowship <https://www.iaa.ie/irish-marie-curie-office/funding-calls/individual-fellowships/> )

**Experienced researcher requirements:** The researcher must have at least 4-years full time research experience or hold a doctorate before the September 9<sup>th</sup> deadline.
