**DCU (CARPE-School of Policy and Practice)  
Dublin City University**

The ***Centre for Assessment Research, Policy and Practice in Education (CARPE)*** at the School of Policy and Practice, DCU, is looking to host an experienced researcher via funding through Marie Skłodowska-Curie Individual Fellowships. In order to secure funding, the experienced researcher must develop a proposal with the host for the September 9<sup>th</sup> 2020 deadline.

### **Organisation Description**

CARPE, based at the Institute of Education, St Patrick's Campus, Drumcondra, is supported by a grant from Prometric to Dublin City University. The centre was established to enhance the practice of assessment across all levels of the educational system, from early childhood to fourth level and beyond. Given Prometric's focus, research on assessment as it plays out in workplace credentialing (licensure and certification) is also conducted at CARPE

### **Project idea and researcher opportunities**

Research Field: Educational and Workplace assessment and testing.

### **Researcher Requirements**

- The researcher must fulfil the MSCA-IF mobility and experienced researcher requirements.<sup>1</sup>
- Applicants should have a PhD (or more than 4 years of research experience) in a relevant area of educational/workplace assessment and testing and demonstrate a promising track record of early research achievements.

### **Application procedure**

The applicant should provide:

1. A short CV
2. A one-page research proposal

---

<sup>1</sup> **MSCA-IF mobility**: The researcher must not have resided or carried out the main activity (work, studies, etc.) in the country of the beneficiary for more than 12 months in the 3 years immediately before the call September 9<sup>th</sup> deadline (flexible 36 months in the 5 previous years if eligible for career restart or reintegration fellowship <https://www.iaa.ie/irish-marie-curie-office/funding-calls/individual-fellowships/> )

**Experienced researcher requirements**: The researcher must have at least 4-years full time research experience or hold a doctorate before the September 9<sup>th</sup> deadline.
