

10th Annual Psychology, Health & Medicine Conference

May 1st, 2013
Dublin City University

DCU School of Nursing and Human Sciences, is delighted to announce that the 10th Annual Psychology, Health and Medicine Conference will be taking place in DCU on May 1st, 2013.

The conference is hosted by the Division of Health Psychology of the Psychological Society of Ireland in association with the Division of Health Psychology of the British Psychological Society, Northern Ireland Branch. The aim of this conference is to promote high quality research at the interface of psychology, health and medicine, as well as to facilitate social and professional networks among people working in this area. The conference will be of interest to a variety of health professionals, as well as to health psychologists.

We are delighted to announce the following keynote speakers:

Prof David French, University of Manchester

Prof Daryl O'Connor, University of Leeds

Dr Anne Hickey, Royal College of Surgeons in Ireland

The call for abstracts and registration will be announced in early December.
